The Court orders that the February 24, 2005, order of the Ionia Probate Court denying appellant's petition for waiver of parental consent for an abortion is AFFIRMED, and appellant's petition for waiver of parental consent is DENIED. Upon review of the entire record, this Court is not persuaded that appellant met her burden of establishing by a preponderance of the evidence that she is sufficiently mature and well informed to make a decision independently of her parents, or that granting the waiver would be in her best interests. MCL 722.904(3); MCR 3.615(J)(1).
