Presiding Judge

Judges

The Court orders that the motion to dismiss is DENIED.

The Court orders that the motion to extend time to file appellants' brief is GRANTED to the extent that the time for filing appellants' brief is extended until 28 days after the Clerk's certification of this order. However, the brief shall be considered untimely when it is filed. The Clerk shall place this case on the involuntary dismissal docket without further notice to the parties if appellants' brief is not filed in accordance with this order.

To clarify the matter of appellants' counsel, the Court recognizes appellants' June 2, 2006, notice to the Court that they have discharged their counsel of record and orders that appellants' counsel, Michael L. Donaldson, is removed as counsel of record for appellants. The records of this Court shall reflect that appellants are representing themselves for this appeal until such time as counsel appears on their behalf. Counsel appearing on their behalf should recognize that counsel takes the case subject to the time limit for filing appellants' brief provided in this order.
