The Court orders that the motion for access to the oral argument tape for the purpose of producing a private, non-official transcript is GRANTED according to the following terms:

1. The Clerk's Office has confirmed the availability of the digital audio recording of the oral argument in this case.

2. This order entitles the requesting individual *and* any party to this case to pay the $5.00 access charge and receive from the Clerk's Office a temporary hypertext link to the digital recording of the oral argument. The requesting individual and any party to this case who seeks access to a digital recording of the argument is directed to send a separate request to the Lansing Clerk's Office together with separate checks for $5.00 made payable to the State of Michigan. Each written request should include the individual's email address to which the temporary hypertext link should be sent.

3. The temporary hypertext link to the audio recording will reproduce the oral argument as it was originally recorded. The Court assumes no additional responsibility for the quality or completeness of the recording.

4. This Court does not make a transcript of oral arguments, nor does this Court provide or certify transcripts of oral arguments.
