IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Lionel Pierre Jackson**
Docket No. **277303**
L.C. No. **05-004907-01**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The delayed application for leave to appeal filed on April 6, 2007, is DISMISSED for lack of jurisdiction because it was not filed within 12 months of the November 2005 judgment of sentence as required by MCR 7.205(F)(3) and neither exception found in MCR 7.205(F)(4) applies. In particular, the first exception does not apply because the postjudgment motion was not filed within 12 months of the judgment of sentence. The Court would note that appellate counsel failed to produce the current register of actions though requested twice to do so. Only after this Court received the register of actions through its own effort was it confirmed that the postjudgment motion was not timely filed.
