IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Charter Township of Chesterfield v Pasquale R Accivatti**
Docket No. **279415**
L.C. No. **06-001881-CZ**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the actual order being appealed is a circuit court order on appeal from a tribunal, which makes it not appealable by right. See MCR 7.203(A)(1)(a). A review of the docketing statement shows that even though the claim of appeal lists 06-001881-CZ, as the case being appealed, the issues raised involved the decision in the administrative appeal of 06-003165-AA. The Court would note that appellant filed an application for leave to appeal the same day that this claim of appeal was filed.
