IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Thomas Middleditch v Parole Board**
Docket No. **278540**

William C. Whitbeck, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees for filing a complaint for a writ of habeas corpus is DENIED because MCL 600.2963 mandates the payment of an initial, partial filing fee when a prisoner under the supervision of the Department of Corrections files a civil action with this Court.

Within 21 days of the certification of this order, plaintiff shall pay the initial, partial filing fee of **$54** to the Clerk of this Court, shall submit a copy of this order with the payment, **and shall refile the pleadings that are being returned with this order**. If plaintiff pays the initial, partial filing fee and refiles the pleadings within the time allotted, plaintiff may not file another civil appeal or original action in this Court until such time that either the Department of Corrections remits or he pays the entire outstanding balance due. Failure to comply with this order shall result in the complaint for a writ of habeas corpus not being filed in Docket No. 278540, but will not affect the complaint for a writ of mandamus in Docket No. 278508 if the fee is paid in that case.

If plaintiff pays the initial, partial fee filing fee and refiles the pleadings within the time allotted, monthly payments shall be made to the Department of Corrections in an amount of 50 percent of the deposits made to his account until the payments equal the balance due of **$321**. This amount shall then be remitted to this Court. Again, plaintiff may not file an original action or a civil appeal in this Court until he pays the entire outstanding balance due.

The Clerk of this Court shall furnish two copies of this order to plaintiff and return his pleadings with this order.
