This Court vacated the trial court's December 1, 2009 order and remanded the case to allow the paternity case to proceed in accordance with the appropriate remand instructions, while retaining jurisdiction pending the decisions on remand. The trial court made its ruling in open court on July 26, 2010, which was embodied in its written order for custody, parenting time, and support on July 30, 2010. The parties, subsequent to the trial court's order, have executed a written waiver of either party's right to appeal any of the custody, child support, adoption or parenting time decisions related to the trial court's decision embodied in the July 30, 2010 order. This matter is now deemed final as there is no active appeal and any subsequent appeal regarding attorney fees, sanctions or costs can be taken by right. MCR 7.202(6)(iv); MCR 7.204(A).
