# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Janice Stanton Hines v Wayne County Sheriff**
Docket No. **296298**
L.C. No. **09-031212-AW**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1) and MCR 7.211(E)(2), orders:

This appeal is DISMISSED IN PART for lack of jurisdiction. The Court lacks jurisdiction for an appeal of right from the denial of plaintiff-appellant's request for a writ of habeas corpus. See *Triplett v Deputy Warden*, 142 Mich App 774, 779-780; 371 NW2d 862 (1985). The Court's jurisdiction in this case is confined to a review of the denial of a writ of mandamus. Because appellant's brief filed February 25, 2010, raises issues solely with respect to the denial of a writ of mandamus, it is accepted for filing. The time for filing appellees' brief(s) shall be calculated under MCR 7.212(A)(2)(a)(ii) from the date that appellant's brief was served on appellees.

The motion to expedite is GRANTED. The clerk is directed to place this matter on the first available case call after the time for filing appellees' brief(s) has expired.
