Court of Appeals, State of Michigan

ORDER

Timothy Swiatlowski v Ryan Lee Kieszkowski

Docket No. **316830**

LC No. **11-014378-NI**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the order dated May 24, 2013 and entered in the circuit court register of actions on May 28, 2013 is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). Notably, it is not practicable to consider whether the claim of appeal might be saved by treating it as being taken from the judgment apparently entered on April 4, 2013 in light of the failure of appellants' counsel to provide that item after it was requested by the Clerk's Office of this Court.
