Docket No. **288902; 288965**
L.C. No. **2008-001783-FH; 2008-001784-FC**

Mark J. Cavanagh, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to order transcript is GRANTED. The transcript of the December 22, 2008, hearing shall be considered timely ordered and the time for filing appellant's brief shall be calculated under MCR 7.212(A)(1)(a)(iii), starting from the June 30, 2009, filing of that transcript.

The motion for extension of time to file appellant's brief is DENIED as unnecessary, the time for filing appellant's brief being altered by this Court's grant of the motion to extend time to order transcript.

The motion to compel production of exhibits is GRANTED only to the extent that, within 21 days of the Clerk's certification of this order, plaintiff-appellee shall file with the trial court copies of any audio or video tape exhibits played at trial that are in its possession. MCR 7.210(C). Once such exhibits are filed, defendant may move in the trial court to have copies provided at public expense.
