Court of Appeals, State of Michigan

ORDER

People of MI v John Eric Bennett

Docket No. 311903

LC No. 2012-239748-FH

Pat M. Donofrio
Presiding Judge

E. Thomas Fitzgerald

Henry William Saad
Judges

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. Defendant-appellant has not supported his motion to remand with an affidavit or offer of proof regarding the facts he could establish at an evidentiary hearing to support his claims of ineffective assistance of counsel. An initial ruling by the trial court is not otherwise necessary for this Court to review the issue of ineffective assistance of counsel based on the existing record. *People v Matuszak*, 263 Mich App 42, 48; 687 NW2d 342 (2004).
