IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Delta Engineered Plastics LLC v Autolign Manufacturing Group Inc**
Docket No. **279622**
L.C. No. **07-023466-CK**

Pat M. Donofrio, Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal, motion for immediate consideration, and motion for stay are DISMISSED for lack of jurisdiction because the order being appealed is not a final order appealable of right. The order could not be certified as a final order under MCR 2.604(B) as the underlying case is not a receivership action, as is required under that rule. The fact that one of the parties may be in receivership does not render the case a receivership action for purposes of the court rule.
