IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In Re Antonio Vega Minor**
Docket No. **278150**
L.C. No. **07-000093-NA**

E. Thomas Fitzgerald, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file appellant's brief is DENIED, without prejudice to filing another motion showing good cause. IOP 7.212(A)(1)-3 provides that good cause will generally be limited to "unexpected events that directly impact the ability to timely file the brief. The press of business or a heavy workload will typically not constitute good cause for an extension of time. Where the motion is premised on workload considerations, at a minimum the motion should identify the cases and the courts in which filing deadlines are converging, and specify the least amount of additional time that would be required to file the brief."
