IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In re Estates of Norman Conn and Ethel Conn**
Docket No. **283118**
L.C. No. **2005-296755-DE; 2005-296594-DE; 2001-276552-GD; 2001-276553-CV; 2001-267554-GD; & 2001-276555-CV**

Deborah A. Servitto, Judge, acting under MCR 7.211(E)(2), orders:

The motion for immediate consideration is GRANTED.

The motion for reconsideration of this Court's order of July 10, 2008, is DENIED, petitioner-appellant has failed to demonstrate that appellee's brief does not substantially comply with the requirements of MCR 7.212. See MCR 7.212(I). Petitioner has relief available under MCR 7.211(C)(9) to seal portions of this Court's file that may have been sealed in the lower court. The assertion that appellee's brief cites to nonrecord material, even if true, is an insufficient basis for striking appellee's briefs as that point could be addressed in the reply brief.
