Judges

The Court orders that the motion for leave to file supplemental briefs is GRANTED, but the briefs shall be limited to 15 pages each. The parties shall further limit the content of their briefs to specifically address the following:

Conceding that MCL 600.223(1)(a) mandates that defendant, as an emergency medical technician, is "required to report" a "reasonable cause to suspect child abuse or neglect," was defendant O'Connell statutorily obligated to report his suspicions regarding his partner's behavior with this victim and where is that obligation to report delineated or imposed? How is this mandate to report impacted by MCL 600.222(f), (t) and (u)?

The supplemental briefs shall be filed within 14 days of the Clerk's certification of this order.
