Judges

The Court orders that the motion for leave to file supplemental brief permitting addition to the record is DENIED. The Court is not persuaded that further briefing and record development are necessary at this time for review of defendant's claims of error.

The Court further orders that the motion for leave to file a reply in support of the motion to file supplemental brief is DISMISSED AS MOOT. Allegations regarding service of the motion to file supplemental brief were rendered moot by this Court's acceptance of the answer.
