

Court of Appeals, State of Michigan

ORDER

Department of Natural Resources and Environment v Rexair Inc

Docket No. 297663

LC No. 89-064557-CE

Peter D. O'Connell

The Court orders that the motion for reconsideration of the June 3, 2010 order is DENIED. We note that the peremptory order of the Michigan Supreme Court in *Nordstrom v Auto-Owners Ins Co*, 486 Mich 962; ___ NW2d ___ (2010), which was entered after the June 3, 2010 order, establishes that the filing of a motion for reconsideration in the trial court is immaterial to the timeliness of a claim of appeal under MCR 7.204(A)(1)(a). We further note that MCR 7.208(A) does not preclude the trial court from entering a subsequent order clarifying the order appealed from so long as any such subsequent order is truly only a clarification that does not set aside or amend the order appealed from.
