

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Tarrant Assurance Funding Limited Partnership v Miller Park Townhome Condominiums**
Docket No. **299424**
L.C. No. **07-000790-CK**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. First, the claim of appeal was not timely filed as to the February 13, 2008, September 23, 2008, and February 25, 2009 orders because it was not filed within 21 days after entry of those orders. MCR 7.204(A)(1)(a). Although the claim of appeal was timely filed as to the July 16, 2010 order, that order is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). Further, appellant may not vaguely claim an appeal as to other orders that are not expressly listed because the court rules contemplate that an appellant must indicate the order or orders appealed from. See MCR 7.204(C)(1) (requiring provision of a copy of the order appealed) and MCR 7.204(D)(1) (claim of appeal must be substantially in a form that includes designation of the date of the order appealed from).
