Judges

The Court orders that the motion for reconsideration is DENIED.

Ronayne Krause, J., would grant the motion for reconsideration, directing the prosecutor to submit a response to the respondent's motion. Furthermore, she would direct both parties to submit briefs specifically addressing whether the amendments to the MCL 28.722 as enacted by 2011 PA 17 apply prospectively only to criminal prosecutions or juvenile proceedings pending as of July 1, 2011, or to any actions filed after that date, or whether those registration amendments also apply retrospectively to all registrants, irrespective of the date of their conviction or adjudication.
