The Court orders that the February 10, 2011 opinion is hereby AMENDED. The opinion contained the following clerical error: The paragraph on page two reading "In light of our conclusion to remand for resentencing, we review defendant's challenges to the scoring of offense variables where the same issues are likely to arise at resentencing. We generally review a trial court's scoring of sentencing variables for clear error." is removed from page two of this opinion.

In all other respects, the February 10, 2011 opinion remains unchanged.
