Pursuant to MCR 7.205(D)(2), in lieu of granting the delayed application for leave to appeal, the Court VACATES the circuit court's September 25, 2009, order granting defendant's motion opposing entry of the improperly submitted consent judgment. The Court also VACATES the circuit court's January 20, 2010, order denying plaintiff's motion for reconsideration of the September 25, 2009, order. "Notice to an attorney relative to a given matter is notice to the client employing him in relation to such matter." *Kastle v Clemons*, 330 Mich 28, 32; 46 NW2d 450 (1951).
