

Court of Appeals, State of Michigan

ORDER

In re Hunter

Docket No. 300055

LC No. 94-008988

Kirsten Frank Kelly
Presiding Judge

Christopher M. Murray

Karen M. Fort Hood
Judges

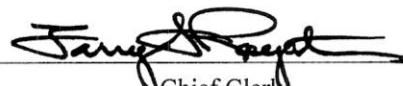

The Court orders that the complaint for writ of superintending control is DENIED as moot. "An issue is moot if an event has occurred that renders it impossible for the court, if it should decide in favor of the party, to grant relief." *People v Billings*, 283 Mich App 538, 548; 770 NW2d 893 (2009) (citation omitted). The record reflects that the circuit court issued an order dated March 2, 2011, disposing of defendant's motion for relief from judgment. Where the relief defendant seeks already has been granted, the issue is moot.
