Judges

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is GRANTED. This matter is REMANDED to the trial court for an evidentiary hearing so that defendant may attempt to create a factual record to support his claims that he was deprived of his right to a public trial and that trial counsel rendered ineffective assistance of counsel when he failed to object on Sixth Amendment grounds to the closure of trial to the public, *People v Ginther*, 390 Mich 436; 212 NW2d 922 (1993). The proceedings on remand are limited to the issues raised in the motion to remand. The Court retains jurisdiction and the time for proceeding with the appeal in this Court shall begin to run upon issuance of an order in the trial court that disposes of the post-conviction proceedings.

Defendant-appellant shall file with this Court a copy of any motion and supporting brief filed in the trial court within 14 days after the Clerk's certification of this order. Defendant-appellant shall also file with the Clerk of this Court copies of all orders entered on remand within 14 days after entry. The trial court shall hear and decide the matter within 56 days after the Clerk's certification of this order. The trial court shall make findings of fact and a determination on the record and cause a transcript of any hearing on remand to be prepared and filed within 21 days after completion of the proceedings. Defendant-appellant may file a supplemental brief pertaining to the issues raised on remand within 21 days after entry of the trial court's order deciding the matter or 21 days after the transcript of the hearing is filed, whichever is later. Appellee may file a supplemental brief in response. The time for proceeding with the appeal shall begin to run 14 days after the date this order is certified if the motion to initiate the post-conviction proceedings is not filed in the trial court within that 14-day period.
