

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Frederick Schaefer v Michael Villalva**

Docket No. **302468**

L.C. No. **10-007388-NZ**

Christopher M. Murray, Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees is DENIED because a review of the appellant's affidavit concerning his financial status shows the ability to pay.

Appellant shall pay to the Clerk of the Court, within 21 days of the certification of this order, the entry fee of \$375 for the claim of appeal, \$100 for appellant's motion to waive fees, \$100 for appellant's motion for emergency injunctive relief, \$100 for appellant's motion for peremptory reversal, and \$200 for appellant's motion for immediate consideration. Failure to pay \$475 for the entry fee and the motion to waive fees will result in dismissal of the appeal. The other motions cannot be submitted for decision until the total amount of \$875 is paid and failure to pay the fees due for the motions will result in dismissal of the motions.
