Judges

The Court orders that defendants-appellants' motion for reconsideration is GRANTED. On reconsideration, the Court finds that the stipulated order confirming the arbitration award is not a consent judgment and, therefore, this Court has jurisdiction of defendants-appellants' appeal of right taken from that order. MCR 7.203(A). This Court's May 2, 2011, order dismissing the appeal is VACATED and the appeal is REINSTATED.
