

Court of Appeals, State of Michigan

ORDER

In Re A Godboldo-Hakim Minor

Docket No. 303823

LC No. 11-499774

Michael J. Talbot
Presiding Judge

Christopher M. Murray

Cynthia Diane Stephens
Judges

The Court orders that the motion to dismiss is GRANTED and the appeal is DISMISSED for lack of jurisdiction. The Court lacks jurisdiction because the order appealed from is a preliminary order rather than a final order of disposition placing a minor under the supervision of the court or removing the minor from the home as required for an appeal of right under 3.993(A)(1). The issue raised in this appeal may be raised in the appeal of right from the August 16, 2011, order of adjudication that is pending in docket no. 305858.
