Docket No. **304648**

L.C. No. **10-007590-NA**

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

The motion for immediate consideration of the appeal is treated as a motion to expedite and is **DENIED AS UNNECESSARY** as the case is a custody appeal which is subject to a shortened timeline for the filing of appellees' briefs that may only be extended upon motion and order of the Court, MCR 7.212(A)(2)(a)(i), and which is given priority for placement on case call, MCR 7.213(C)(2).
