Judges

The Court orders that the motion to reply to the answer is GRANTED.

Pursuant to MCR 7.206(D)(3), the Court orders that the petition for review of apportionment is DISMISSED for lack of merit in the grounds presented. The adopted apportionment plan meets the requirements of the laws of this state. MCL 46.404, MCL 46.404. Petitioner has not presented evidence demonstrating a violation of the Open Meetings Act, MCL 15.261, *et seq*, or that the rights of the public were impaired. *Nichols v Meridian Twp Bd*, 239 Mich App 525, 532; 609 NW2d 574 (2000). The alleged defects in the notice of the public meetings are insignificant, and there is no evidence to support petitioner's claim that the commissioners engaged in any private deliberations contrary to the act.
