Docket No. 305487

LC No. 10-039659-NA

The Court orders that the motion for reconsideration is DENIED. Regardless of whether the July 15, 2011 order appealed from can be considered to have removed the child in this case from her "home," it is not an order of disposition and, thus, is not appealable of right to this Court under MCR 3.993(A)(1). In the present context, "order of disposition" is a term of art for an order entered by a circuit court as its initial disposition following a finding of jurisdiction over a child. See MCR 3.973(F). The July 15, 2011 order is not such an order of disposition, but rather is an order pursuant to post-dispositional review as contemplated by MCR 3.975(G). We reiterate that appellant may seek to appeal the July 15, 2011 order by filing a delayed application for leave to appeal under MCR 7.205(F).
