Judges

On the Court's own motion, in lieu of dismissing the claim of appeal for lack of jurisdiction because it was not timely filed from the August 5, 2011 order appealed from, MCR 7.204(A)(1)(a), the claim of appeal is treated as a delayed application for leave to appeal.

Within 56 days of the date of this order, appellant shall provide to the Clerk of this Court five copies of a brief in support of the delayed application for leave to appeal conforming to MCR 7.212(C) and proof of service of the supporting brief on counsel for appellees. (We note that the brief on appeal provided with the claim of appeal does not substantially conform to MCR 7.212(C).) Appellees may file an answer to the supporting brief in support of the delayed application for leave to appeal within 21 days of service by appellant as provided by MCR 7.205(C). Thereafter, decision on the delayed application will proceed under MCR 7.205(D).

Failure to timely comply with this order may result in dismissal of the appeal.
