## ORDER

Re: **Robert L Schwartz v Pamela L Schwartz**

Docket No. **306277**

L.C. No. **1999-630175-DO**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. MCR 7.203(A)(1). The September 7, 2011, order regarding alimony; the September 7, 2011, opinion and order denying reconsideration of a prior order regarding alimony; and the September 21, 2011, order regarding alimony and attorney fees are not final orders as defined in MCR 7.202(6). A postjudgment order concerning alimony is not a final order under any provision of MCR 7.202(6). The portion of the September 21, 2011, order that concerns attorney fees is not a final order under MCR 7.202(6)(a)(iv) because it does not make a specific award of attorney fees and costs. The order opines that defendant is entitled to attorney fees, but directs further proceedings to determine an amount of the award before an order specifically awarding attorney fees will be entered.
