

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In The Matter of Dion Lavell Neal-El**
Docket No. **306341**
L.C. No. **11-003090-AH**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the August 19, 2011, order denying plaintiff-appellant's complaint for writ of habeas corpus is not appealable by right. Relief from the trial court's denial must be sought by filing an original complaint for writ of habeas corpus in this Court. *Triplett v Deputy Warden*, 142 Mich App 774, 779-780; 371 NW2d 862 (1985). Plaintiff-appellant may pursue relief from this Court through the complaint for writ of habeas corpus that is pending in docket no. 306655.
