The Court orders that the motion for guidance is GRANTED, and this matter is REMANDED to the special master, A. David Baumhart, III. The special master shall immediately schedule a conference with the parties for the purposes of resolving the parties' requests for clarification of the April 5, 2012 Recommendation and Report on Findings of Fact and Other Determinations, and of quantifying the proposed amount of attorney fees and costs to be awarded plaintiffs pursuant to § 32 of the Headlee Amendment. This order is not intended to limit the parties' or the special master's option or choices in the manner in which they or the special master wish to proceed. Any clarifications made to the April 5, 2012 Recommendation and Report shall be memorialized in a writing, which will serve as an addendum to the original Recommendation and Report, and be promptly filed with the Clerk of this Court.

The Court further orders that the motion to extend time to file objections to the April 5, 2012 Recommendations and Report is GRANTED, and the parties shall have 21 days from the filing of the addendum with the Clerk of this Court in which to file objections to the original report and the addendum. The objections shall be accompanied by a supporting brief and exhibits. Answers to the objections made by opposing parties shall be filed within 14 days of the filing of the objections.
