Presiding Judge

Docket No. 305419

LC No. 07-066280-CB

Judges

The Court orders that appellees' second motion to dismiss this appeal filed on April 17, 2012 is DENIED. The second motion to dismiss advances no significant grounds for dismissal beyond those advanced in the previous motion to dismiss denied by this Court in its January 13, 2012 order. In this regard, the trial court's March 26, 2012 order entered subsequent to the filing of the claim of appeal cannot affect this Court's jurisdiction over this appeal because whether this Court has jurisdiction over the claim of appeal is determined by the circumstances existing when the claim of appeal was filed. See MCR 7.204(B).
