ORDER

People of MI v Jill Bass Day

Docket No. 306104

LC No. 11-000087-FC

Judges

The Court orders that the motion to remand is DENIED for failure to meet the requirements of MCR 7.211(C)(1)(a). Defendant's generalized assertion that she will show trial counsel had no strategic purpose for failing to object to certain matters cannot reasonably be considered to constitute an offer of proof as to facts to be established at a hearing on remand.

Ronayne Krause, J., would grant the motion to remand for the limited purpose of determining if and when the jury viewed defendant in shackles as the lower court record is unclear on this issue.
