Judges

The motion for reconsideration is DENIED. The Court orders that the motion for stay is DENIED. The Court orders that the motion for immediate consideration is GRANTED.

The motion for clarification is GRANTED in part to correct this Court's inadvertent reference to the Tribunal rather than the Treasury. In all other respects, the motion for clarification is DENIED. The first sentence of the last paragraph on page 2 of the slip opinion is AMENDED to read as follows: "The issue before us today is when the 35-day period under MCL 205.22 begins to run if the taxpayer has previously filed a written request with the Treasury to send copies of all letters and notices to the taxpayer's representatives."

Riordan, J., would grant the motion for stay.
