

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **People of MI v Todd Michael Porter**  
Docket No. **307497**  
L.C. No. **10-000305-FH**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because none of the orders from which appellant indicates he is claiming an appeal are final orders in a criminal case that could be appealable of right. MCR 7.202(6)(b); MCR 7.203(A). Further, appellant has no appeal of right as to the relevant lower court case because his conviction in that case is based on a plea of no contest to a crime committed after December 27, 1994. MCR 7.203(A)(1)(b). At this time, appellant may seek to appeal only by filing an application or delayed application for leave to appeal under MCR 7.205 from any order that is properly the subject of such an application or delayed application.

The motion to waive fees is **GRANTED** for this case only.
