The Court orders that appellees' motion to strike appellants' brief on appeal is DENIED.

Appellants' motion to supplement the record to include attachments 2 and 3 to their brief on appeal is GRANTED. However, this is without prejudice to appellees' ability to include argument in their brief on appeal as to the proper extent, if any, to which the substance of those attachments may properly be considered by this Court under the principle of judicial notice or otherwise. See, e.g., *Hetrick v Friedman*, 237 Mich App 264, 269; 602 NW2d 603 (1999).

Ronayne Krause, P.J., would deny the motion to supplement the record as both exhibits were written after the application for leave to appeal was filed.
