

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Elizabeth Dziurkiewicz v William Dziurkiewicz**  
Docket No. **308895**  
L.C. No. **07-560574-DO**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction. Appellant states that he is claiming an appeal from a judgment or order entered on January 25, 2012, but the circuit court register of actions reflects that no order was entered on that date. Further, appellant does not provide a copy of an order from that date. Presumably, appellant has actually filed his claim of appeal in reference to the February 7, 2012 circuit court order. However, that order is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). Notably, the discussion of standing to appeal in *In re Application of Michigan Consolidated Gas Co*, 178 Mich App 309, 312-313; 443 NW2d 790 (1989), does not indicate that the February 7, 2012 order is appealable of right. At this time, appellant may seek to appeal the February 7, 2012 order only by filing a delayed application for leave to appeal under MCR 7.205(F).

A true copy entered and certified by Larry S. Royster, Chief Clerk, on
