The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is GRANTED, and the matter is remanded to the trial court so that plaintiff-appellant Amanda Huber may move for relief from the trial court's order granting summary disposition. The trial court shall rule on the motion. Proceedings on remand are limited to the issue as raised in the motion to remand.

Plaintiff-appellant Amanda Huber is to file with this Court a copy of any motion and any supporting brief filed in the trial court within 14 days of the Clerk's certification of this order. The trial court is to hear and decide the matter within 56 days of the Clerk's certification of this order. Plaintiff-appellant Amanda Huber must also file with the Clerk of this Court copies of all orders entered on remand within 14 days after entry.

The trial court is to make findings of fact and a determination on the record. The trial court is to cause a transcript of any hearing on remand to be prepared and filed within 21 days after completion of the proceedings.

Plaintiff-appellant Amanda Huber's brief on appeal is due within 21 days after the trial court's decision on remand or after the filing of the transcript of the hearing held, whichever is later. Defendants-appellees shall file their briefs in accordance with MCR 7.212(A)(2).

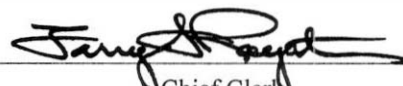

This Court retains jurisdiction in the cause, and the time for proceeding with the appeal in this Court begins upon issuance of an order in the trial court that finally disposes of the remand proceedings. Nevertheless, the time for proceeding with the appeal begins 14 days from the date of certification of this order if remand pleadings are not filed in the trial court within the 14-day period.
