## ORDER

In re G C L Lichardello minor

Docket No. 309735

LC No. 10-006531-NA

---

The Court orders that the motion to withdraw is GRANTED, because the Court finds, after a full examination of all the proceedings, that the appeal is wholly frivolous.

The order terminating respondent's parental rights is AFFIRMED. Withdrawing counsel shall mail by first-class mail to the appellant within 14 days of the date of certification of this order a copy of this order and the transcripts and file proof of that service with the Clerk of this Court as required by MCR 7.211(C)(5)(c). Counsel is hereby notified that this Court may vacate this order granting the motion to withdraw if counsel fails to serve the transcripts on appellant.

Ronayne Krause, J., would deny the motion as trial counsel and appellate counsel are the same. It is her belief that terminating parental rights to a child deserves to have a different lawyer make a review of the record on appeal.
