Judges

The Court orders that the motion for immediate consideration is GRANTED.

The motion captioned as a motion to have appellants' brief on appeal considered as an application for leave to appeal is treated as a motion to treat the claim of appeal as an application for leave to appeal and grant the application. That motion is also GRANTED.

Thus, the claim of appeal is treated as an application for leave to appeal, and the application is GRANTED. The time for filing an appellee's brief under MCR 7.212(A)(2) shall be determined as if appellant's brief on appeal had been filed on the date of this order.
