The Court orders that the motion to seal is GRANTED. Pursuant to MCR 7.211(C)(9)(b), "Materials that are subject to a protective order entered under MCR 2.302(C) may be submitted for inclusion in the Court of Appeals file in sealed form if they are accompanied by a copy of the protective order." In its April 23, 2012 order, the circuit court directed the parties to file the documents under seal. To the extent appellants' motion to seal extends to the materials that are the subject of that order, the motion is GRANTED.

The parties may submit all such materials in sealed form, providing they are accompanied by a copy of the trial court's order directing that they be filed under seal. Defense counsel shall visit this Court's Troy office to place previously-filed documents at issue under seal in this Court's file.

The Clerk shall disclose or provide copies of any order or opinion entered in this appeal, MCR 8.119(F)(5); MCR 7.211(C)(9)(c), but sealed pleadings or other contents of the file shall not be disclosed or made available for public viewing.

The Clerk is directed to forward a copy of this order to the Clerk of the Supreme Court and to the State Court Administrative Office. MCR 8.119(F)(7); MCR 7.211(C)(9)(c).
