

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Michael Benjamin Williams**

Docket No. **310242**

L.C. No. **11-036638-FH**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal in the present Court of Appeals file, Docket No. 310242, is DISMISSED for lack of jurisdiction because appellant already filed an earlier claim of appeal, assigned Docket No. 310272, from the same April 5, 2012 judgment of sentence that is the subject of the present claim of appeal. MCR 7.203(A)(1) provides for "an appeal of right," i.e., a single appeal of right, from a final order. Thus, this Court lacks jurisdiction over the present second appeal as of right. Further, it appears manifest that appellant now wishes to pursue his appeal in this matter with the retained counsel who filed the claim of appeal in Docket No. 310272.
