

**Court of Appeals, State of Michigan**

**ORDER**

**People of MI v Adrian Durand Combs**

Docket No. **310303**

LC No. **10-033930-FH**

---

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

The motion to file leave application nunc pro tunc is DENIED. A review of this Court's records reflects that no application or delayed application for leave to appeal was filed as to the present matter in March 2012. Accordingly, the present delayed application for leave to appeal has been properly docketed by the Clerk's Office as filed on the date it was received, specifically May 11, 2012. Further, there is no apparent need or sound reason to treat the delayed application as filed on an earlier date because it was filed within the general 12-month deadline for filing a delayed application under the former MCR 7.205(F)(3) in force when the August 3, 2011 judgment of sentence in this matter was entered.
