Judges

The Court orders that the motion to remand is GRANTED IN PART AND DENIED IN PART. The motion is GRANTED IN PART as to defendant's challenges to the scoring of offense variables 1, 2, and 12 of the sentencing guidelines, and the case is REMANDED to allow defendant to assert those challenges and move for appropriate relief. However, the motion is DENIED IN PART as to defendant's claims of insufficient evidence to support his convictions and ineffective assistance of counsel for failure to persuade the Court of the necessity of a remand at this time as to those issues.

Defendant shall initiate the proceedings on remand within 14 days of the Clerk's certification of this order. The Court retains jurisdiction and the time for proceeding with the appeal in this Court shall begin to run upon issuance of an order in the trial court that disposes of the remand proceedings. Defendant shall file with this Court a copy of any motion and supporting brief filed in the trial court within 14 days after the Clerk's certification of this order. Defendant shall also file with the Clerk of this Court copies of all orders entered on remand within 14 days after entry. The trial court shall hear and decide the matter within 56 days of the Clerk's certification of this order. The trial court shall make findings of fact and a determination on the record. The trial court shall cause a transcript of any hearing on remand to be prepared and filed within 21 days after completion of the proceedings.

Defendant may file a supplemental brief pertaining to the issues raised on remand within 21 days after entry of the trial court's order deciding the matter or 21 days after the transcript of the hearing is filed, whichever is later. Plaintiff may file a supplemental brief in response.

The time for proceedings with the appeal shall begin to run 14 days after the date this order is certified if a motion to initiate the proceedings on remand is not filed in the trial court within that 14-day period.
