

**Court of Appeals, State of Michigan**

**ORDER**

**In re Williams**

Docket No.   **311173**

LC No.       **11-008346-FH**

---

William B. Murphy, Chief Judge, acting under MCR 7.201(B)(3), orders:

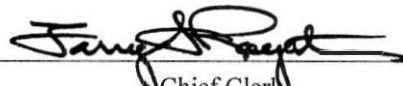

The “petition for appeal on judgment” which was docketed as an original action for habeas relief is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with an entry fee or motion to waive fees, a proof of service and five copies of a brief in support. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules. However, a claim of appeal was filed on behalf of the filer, Taywon Keshawn Williams, which is currently pending in this Court. See Docket No. 311755.
