The Court orders that the motion for reconsideration of the Court's order of August 29, 2012, is GRANTED. On reconsideration, the Court accepts the trial court's order of May 21, 2012, as being based upon a finding, pursuant to MCR 6.428, that defendant's failure to timely request the appointment of counsel for an appeal was due to the ineffective assistance of counsel and the Court REINSTATES defendant's appeal of right. The time for filing appellant's brief shall be calculated under MCR 7.212(A)(1)(a)(iii) from the date this order is entered, provided however that, if defendant's appellate counsel orders the production of additional transcripts within 28 days after the entry of this order, the time for filing appellant's brief shall be calculated from the date the additional transcripts are filed with the trial court clerk.
