

## Court of Appeals, State of Michigan

### ORDER

**Virginia Diane Haskell v Paul P Turowski**

Docket No. **312046**

LC No. **11-019670-CZ**

---

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the August 8, 2012 order denying a motion for reconsideration is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). Further, the claim of appeal cannot be saved by treating it as being taken from the July 9, 2012 circuit court opinion on appellee's motion for partial summary disposition. First, because the July 9, 2012 opinion is merely an opinion and not an order, it cannot be the subject of an appeal of right. MCR 7.203(A). Also, it appears manifest that no final order under MCR 7.202(6)(a)(i) had been entered as of the date of filing of the claim of appeal. At this time, appellants may seek to appeal the August 8, 2012 order by filing a delayed application for leave to appeal under MCR 7.205(F).
