On the Court's own motion, we order respondent-appellant Michael David Kragor to either submit a statement to this Court agreeing that his appeal has been rendered moot due to respondent's discharge from the family court's jurisdiction in June 2012, or to submit a statement, no longer than 10 pages in length, explaining why the prosecution's claim that the appeal is moot is legally incorrect.

Respondent shall have 14 days from the date of the Clerk's certification of this order to file the statement.
